

## Confirmation\*

### **Research Training CHE 490 (8 ECTS)**

After finishing your research work and handing in your report to your PI, he/she will grade your project work. Furthermore, arrange a date for the oral examination (covering the extended basics of chemical lab work) with the lecturer responsible for our general laboratory courses.

After both grades have been filled in and signed, submit the confirmation sheet to the teaching coordination of the Department.\*

Name: \_\_\_\_\_
